Dear Child Care Provider,

This letter is in regards to the 01/31/14 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

110.5(8) Children's Files
110.5(8)g A signed and dated immunization certificate provided by the state department of public health.

Two children's files had the immunization certificates, but they were not signed and dated.

You contacted the Department of Human Services on 02/03/14 saying the immunization certificates were dropped off at your home this morning and the issue has been addressed.

Due to your quick response in addressing the immunization certificates issue you are determined to be in compliance with all mandated regulatory requirements of a Registered Child Development Home, as outlined in Iowa Code Chapter 237A and Iowa Administrative Code Chapter 110. Thank you for the valuable service provided to working families in Iowa.

Please do not hesitate to contact me at DHS at 1-866-336-2555 ext 2409 if you have any questions regarding this letter.

Sincerely,

Kim Heneke BSW SWII
